Pandamoon Publishing and Author Nola Nash Inks Contract for Two New Series

Austin, TX – 11/15/18 – Pandamoon Publishing is proud to announce the signing of a contract with author Nola Nash for two new series: TRAVELER and SYLVIE’S PEN. Nash is already under contract for her debut Pandamoon novel CRESCENT CITY MOON, a mystery which is also the first of a series.

“We are absolutely in love with Nola’s stories. Her work uses settings like her beloved New Orleans, to great effect, borrowing from unique history, diverse culture, voodoo magic, romantic mystique and, of course, local legend and mystery to weave intricate tapestries of images, sights and sounds. The reader is immersed in the place along with the characters in an unforgettable and endearing way.” said Zara Kramer, Publisher of Pandamoon Publishing.

TRAVELER is magical realism/contemporary fantasy with a pinch of history and mystery. With changing rich settings, and characters (including a narrator) who tend to say exactly what’s on their minds, this mystical globe-trotting adventure spins through time and space. Shelby Starling is a train-wreck with a dream job-traveling the world writing promo material for Pioneer Tours, all the while hiding cracks in her armor behind a solid wall of snark and Chianti.

SYLVIE’S PEN, the first book in the series, is a sassy romance set in the decadent backdrop of the French Quarter of the 1850s. When a levee break and a flooded sugar cane plantation shake the financial foundation of New Orleans socialite Sylvie Dubois, the young widow puts her dress-making talents to work making ends meet. Inspired by the wagging tongues of her clients, Sylvie pens a steamy story that weaves her rapier wit, parlor gossip, and just enough fiction to thinly veil the identities of the French Quarter elite.

“I’m thrilled to have two more series launching with Pandamoon Publishing,” said Nola Nash. “It’s been such a treat writing in different genres and having the opportunity to tell the stories I really want to tell. Pandamoon has been so enthusiastic about letting those stories find their voice and audience. As a writer, I’m glad to have found a place where I can stretch my literary wings and have some fun!”
